## HAPPY THANKSGIVING!!

### **Hello Partners,**

As we approach the holiday season again this year, we have so much to be thankful for. You as our Partners are so special to us, and we are so thankful for your support. The word PARTNER is a meaningful word especially in the context of a ministry. It means, "a person who takes part in an undertaking with another or others, especially in a ministry, sharing the risks and the joys."

When you give to this ministry, you not only bless the people that are being touched by this ministry, but you are sowing into good ground and will reap a harvest in due time. God has a special place in His heart for the orphans and the poor. Psalm 82:3 says, "Defend the weak and the fatherless; uphold the cause of the poor and the oppressed."

As you give to support the children, we pray this for you and your families: Philippians 4:19, my God shall supply all of your need according to his riches in glory by Christ Jesus."

**May you all have a very Happy and safe Thanksgiving!!**

The **Hogar de Amor children** also want to thank you for all that you have done for them!

Helps us bring in another container of MannaRice from Feed my Starving Children, [www.fmssc.org](http://www.fmssc.org)

At the end of November or at the beginning of December, we will be receiving another container of MannaRice to help feed hungry children at our Jungle School, at the Campesino Villages, Bonitillo and La Bomba, the feeding center in El Pino and at several other smaller ministries. We will be receiving approximately half the funds and ask that you help us with the other half, \$2000. This is a small amount when you consider that we can feed thousands of children throughout the year.

Please **DONATE** and just add comments that your donation is for the FMSC container in the comments section. These are some of the children you helped us feed in 2017.
